

## **From your Prosthodontist**

We at Dallas Prosthodontics are closely monitoring the evolving situation with COVID-19 and are following the most current guidance by the CDC, state and local authorities.

In our commitment to the health and safety of our patients and team, and in line with the current recommendations to limit contact and stay home if possible, Dallas Prosthodontics has decided to close for the week of 3-23 thru 3-27.

If you had an appointment during this week, we will be attempting to reach you via available info on file, and any appointments reserved this week will be prioritized to be rescheduled for a later time.

We will continue to evaluate the ongoing situation week by week and update our patients via email, text messaging and phone calls. In the case of a true dental emergency please call our on-call staff member at (214) 934-8980.

The health and safety of our patients and team is our top priority and we appreciate everyone's understanding during this time of uncertainty and our thoughts are with those who have been impacted. As health professionals, we are taking the effort to stop the spread of COVID-19 very seriously.

Be safe and stay well.
